

The image displays a collection of 18 geometric shapes arranged in two rows. The shapes are: 4 hearts (purple), 5 squares (light red), 4 pentagons (light purple), and 3 triangles (light green). The top row contains 9 shapes: heart, pentagon, square, triangle, square, pentagon, heart, pentagon, and pentagon. The bottom row contains 9 shapes: pentagon, square, heart, square, pentagon, triangle, and pentagon.

3)  =

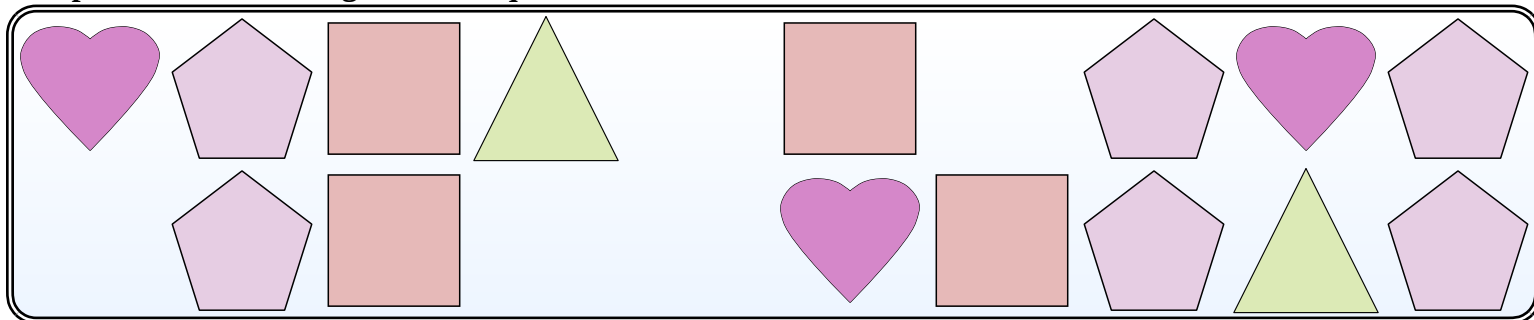

7)  = _____

11)  =

Comptez le nombre de figure de chaque boîte.

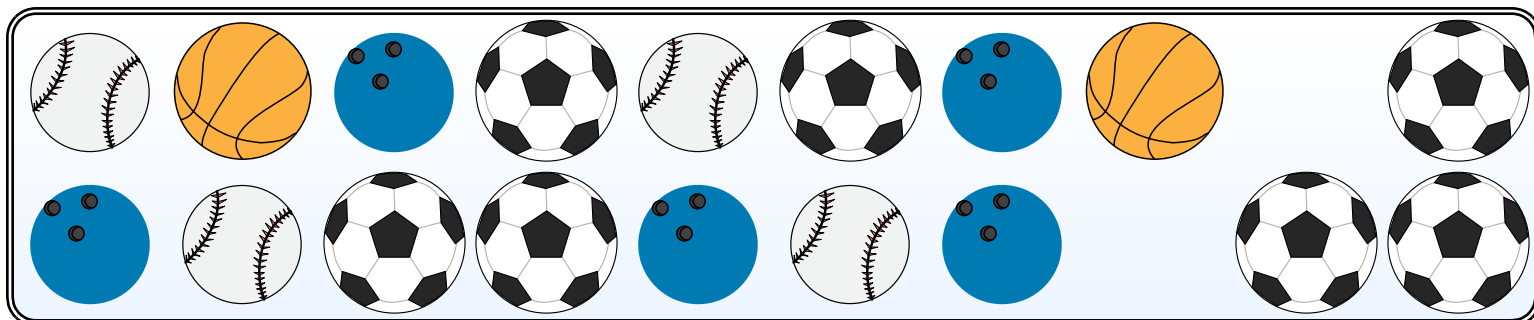

Ex)  = 3

1)  = 6

2)  = 4

3)  = 2

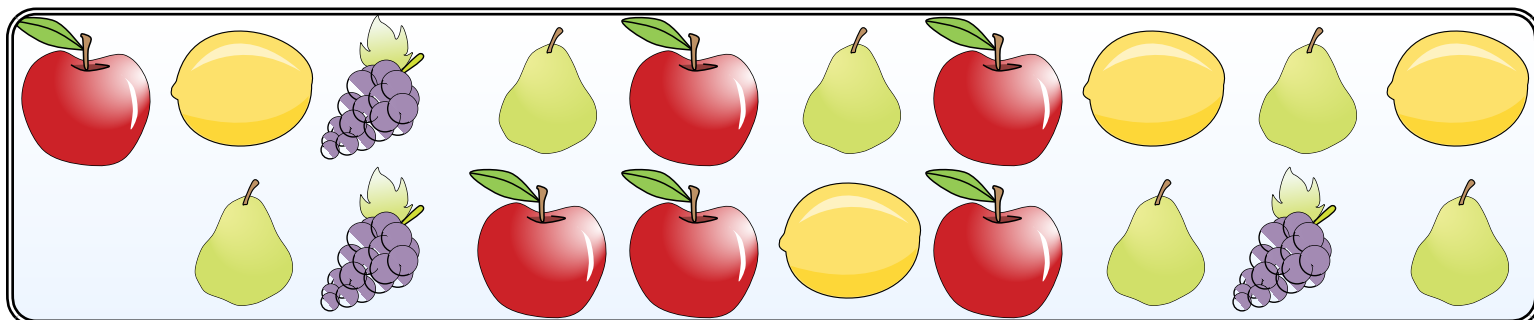

4)  = 4

5)  = 2

6)  = 5

7)  = 7

8)  = 6

9)  = 4

10)  = 3

11)  = 6
